Online attendance: Laura Bos

1. Rita approved minutes from last meeting, Laura P seconded the motion.
2. Forms and money was submitted to the board and cheque was delivered.
3. Thames Valley Board- new Google workspace. Sent home forms to teachers and parents to see what they wanted at the school.

Grade 8 - grad trip. OFHSA recommended not to fundraise for trip but for the graduation.

Other schools are doing events such as family Bingo game night where they will have a package idea (pizza, veggie tray, cooks, bingo cards).

Meet the Teacher.

Not a huge money maker, but a good event for parents to come to the school and meet the teachers and see the classroom.

Thought about getting grade 8's involved next year for volunteering to hand out pizza. Parents don't want to volunteer, missing out on communicating with the teachers. Or have different shifts for pizza hand out?

Schedule next year. Meet the teacher, pizza (5:30-6pm) and book fair (6:15-7)pm (time slots)

4. Awning update: no update as of yet.

Construction: waiting on lights, first 3 classes (early November). Washrooms near main entrance over Christmas time (waiting on answer).

Virtual class- Kyle Chalupka. Ms. Douglas is leaving, looking for a replacement.

5. Trees.

Declined (didn't do application). Do not have locates for school boundaries. Need board approval. Can apply to get 3 trees for next year if we work on locates.

Grant application:

Board approval, resources/equipment. Enhancing the property or technology category.

Application is due by Oct 31, 2023. Laura Pedden is willing to work on this. Jessica B. had info on

the grant. Looking to apply for Ipads, gym equipment. Would like to borrow picnic tables for events.

Laura Bos said we didn't get the Canada Post grant, we could have used this grant for sports equipment.
